

SOMO LENDER DECLARATION OF TRUST

To all Lenders of the Somo Platform and any other persons whom it may concern:

BACKGROUND

- (A) Social Money Limited is the owner, manager and operator of the Somo Platform, an online facility which allows those Lenders who have agreed to observe and be bound by the rules of the Somo Platform (the "**Somo Rules**") as set out in the Global Lender Provisions and related Finance Documents.
- (B) As part of the normal operation of the Somo Platform, Somo is involved in the collection and allocation and repayment of loan funds paid in connection with the provision of bridging loans. As a result, at certain times Somo may hold funds and Security for Lenders. This Declaration of Trust sets out the terms on which such Trust Assets are held.
- (C) As part of the normal operation of the Somo Platform, Somo is involved in the origination and repayment of each bridging Loan. This Declaration of Trust sets out the terms on which Somo will operate as agent and trustee on behalf of each Lender.

OVERRIDING PRINCIPLES OF PARTICIPATION

- (A) **Somo lend money and takes as Security in respect of UK Property. The Security is held on Trust and forms part of the Trust Assets.**
- (B) **This Somo Platform has been established on the overriding principle of protection of each Lender's loan investment and that each Lender's Investment follows the performance of each Loan in which it invests. This means:**

1. Each Lender's interests in the Trust Assets. On the insolvency of Somo, each Lender's interests in the Trust Assets is protected and will not form part of Somo's assets and will not be used to repay any of Somo's liabilities subject to the Somo Rules. The Trust Assets will at all times belong to and be the assets of the Lender under the terms of this Trust. Any relevant appointed insolvency practitioner will segregate all such Lender monies and will manage the outstanding Loans to ensure that any returns due for each loan are paid directly to the relevant Lenders that participated in a loan.

2. Each Loan which a Lender advances and forms part of their Trust Assets will 'stand on its own merits'. If one Loan should default or not repay the full entitlement to the Investors owing under that loan, then this will have no impact on the other Loans which a or another Lender advances.
